## **Details**

1. All bids are to be submitted on the attached bid proposal form in a sealed envelope.
2. The City is exempt from all federal and state taxes.
3. The successful bidder is responsible for public liability, personal injury, worker's compensation and any other business insurance specified in the contract documents. The bidder must provide proof of said insurance and name the City as an additional insured.
4. The successful bidder will be required to sign a hold harmless agreement as part of the contract documents.
5. All bids shall include price proposals. Fuel costs are to be included in the proposal.
6. All guarantees shall be stated in full and attached to the bid proposal form. Any exceptions to the specifications shall be stated on the bid proposal form or on a sheet of paper attached to the bid proposal form.

7. All bidders shall supply documents regarding information on their past performance. This shall include client references, disclosure of how long the company has existed and a description of the principals (president, owner) of the company.
8. The bidder will be responsible to inspect the sites of the proposed work to determine all conditions.
9. The mowing of lawns and green areas shall be on a seven-day interval basis. All mowing/trimming/edging shall be performed as indicated in the mowing/trimming schedule. The City may require that some areas be serviced on more than one day each week. No service shall take place on Saturday or Sunday unless pre-approval is given by the City. All grass cutting will be done at a height of cut determined by the City. Mowing equipment must be in good condition with sharp cutting blades. Grass clippings shall be collected and removed from the site, with specific attention to removal of grass clippings on headstones in Hillside Cemetery. Mulching may be approved by the owner at certain locations provided mowing can be accomplished without excess accumulation of grass clippings.
10. All park walkways and drives shall be kept in a clean state that is free of debris and grass clippings. All drives and walks shall be edged once per month.
11. Sidewalks or objects that have grass growing up to, in, around or under, are required to be trimmed at the same frequency that grass is mowed.
12. The contractor must provide all equipment, labor and supplies necessary for the fulfillment of the contract.
13. All equipment and supplies shall be used in a manner which is safe for all park users and in accordance with all local, state and federal safety standards.
14. All work must be performed in a timely manner and to the satisfaction of the City.
15. The contractor shall be responsible for immediate reporting to the City's representative any acts of vandalism observed or damage to city turf and related property.
16. The contractor shall be responsible for any damage to lawn sprinklers, electrical systems, plantings of any City property as a result of the contractor's work. Any such damage must be repaired at the contractor's expense. This is to include material and labor.
17. Subcontracting is prohibited unless authorized by the City in writing. In the case of any work that is sublet, the contractor shall require the subcontractor to supply similar insurance, unless such employees are covered by the insurance protection offered by the contractor.

18. The name and legal status of the bidder, corporation, partnership or an individual shall be stated in the proposal. A corporation bidder shall name the state in which its articles of incorporation are held and must give the title of the official having authority under the bylaws to sign contracts; a partnership bidder shall give the full name and addresses of all the partners.
19. Experience and qualifications-it is the intention of the City to award this contract to a bidder that would perform and complete all work in a satisfactory manner. Bids are, therefore, only solicited from responsible bidders known to be skilled and regularly engaged in work of a similar character and magnitude to that covered by the contract documents.

In addition, the bidder shall meet with City representatives and give further information in relation to proposed tentative plans and schedule of operations in order to determine the bidder's qualifications, responsibility and ability to perform and complete the work in accordance with the requirements.

Start and completion dates will be considered in the award of this contract.

20. Prices stated in the proposal must be plainly written, illegibility of any word or figure in the proposal may be sufficient case for the rejection of the proposal by the City.
21. The mowing completion date shall be not later than Friday of each week during the contract term.
22. All work shall be conducted with proper consideration to weather and soil conditions. Work shall not be performed in adverse weather conditions, or if soil conditions would be compromised by performance of such work.
23. For work conducted at Hillside Cemetery, proper care and consideration shall be given as to not cause damage to stones, monuments or other features. Should damage be caused by contractor through the performance of lawn care work, it shall be the responsibility of the contractor to repair said damage at their expense. Attention must be give to removal of grass clippings on headstones. A three-way deck or rear discharge system should be utilized.
24. The bidder to whom the contract has been awarded will be required to execute the agreement within ten (10) days of award notice. In case of the bidder's refusal or failure to do so, the bid and contract award will be considered as abandoned. All bidders' rights and interest in the award will be declared forfeited to the City and the work may be awarded to another.

25. It is the intent to award this bid in its entirety to one bidder. However, the City retains the right to accept or reject (in part or whole) any and all bids received. Any proposal wishing to be withdrawn by the bidder must be done in writing prior to the time of the bid opening on the above listed date. Any bid award is subject to review and approval by the St. Clair City Council. All bid results will be made available to the public after the RFP is awarded. In determining the lowest or highest responsible bidder, the City reserves the right to consider, in addition to price, the experience and/or past performance of the bidder and sufficiency of the financial resources.
  
26. CITY'S RIGHTS TO TERMINATE –The City reserves the right to terminate the contract at any time, for any reason, whether before, after or during the term of work. Upon written notice of termination, the contractor will be entitled to payment of all sums due the contractor for work completed at the date of such notice according to the contract documents.
  
27. OPTION TO RENEW: This contract may be extended for one additional year. This option, if exercised, is to be executed in the form of a letter of agreement, to be issued no later than 30 days prior to the expiration of the then current contract period. This option to renew requires the mutual agreement of both parties. Refusal by either party to exercise this option to extend will cause this contract to expire on the original or mutually agreed upon date.

## **INSURANCE REQUIREMENTS**

DAMAGE LIABILITY AND INSURANCE REQUIREMENTS – The contractor shall save harmless and indemnify the owner and all its officers, agents and employees against all claims for damages to public or private property and for injuries to persons arising out of and during the progress and to the completion of the work.
