Hillside Cemetery Decorative Urn Beautification Program St. Clair, MI 48079

The City of St. Clair, Cemetery Board of Trustees, is proud to announce the Hillside Cemetery Beautification Program. This donation program will provide a lasting, decorative urn that will beautify each section of the cemetery. To kick-off the program, six urns of various sizes have already been purchased and placed at the Palmer Street cemetery entrance (two), in the center of Section 3 (one) and near the Columbarium units (three). All will be seasonally filled with colorful flowers and greenery.

Twenty additional urns will continue to make our cemetery welcoming, peaceful and provide a respectful way to honor our loved ones. Large and medium urns will be equally placed in all sections of the cemetery. Small urns will be placed on each side of every entrance off of St. Clair Highway. Funding for this project will be from private donations.

The cost of each urn varies with size; however, any contribution is greatly appreciated.

Large Urn: \$1800

Medium Urn: \$1400

Small Urn: \$600
